WHAT CLIENTS SAY ABOUT DR.RAMA

1. Dr.Rama is exceptionally talented in teaching both theory and practice in a clear and practical manner. His deep understanding and experience enables him provide relevant examples and effective solutions that will be of benefit to all

- Dr Rohantha Rodrigo, CIO, Millennium Information Technologies, Sri Lanka

2. Dr Rama Subramaniam is a versatile trainer and an experienced Auditor. His course material is original and includes examples from the field in forensic investigations. During the workshop, he shares his vast multi-national, multi-cultural and multi-platform forensics audit experience.

- Sudarshan Mandyam, Director & Global Program Manager, International Standards Certifications (Global) FZ LLC, United Arab Emirates

3. Dr Rama presents very interactive sessions by engaging all the participants & has excellent communication with everyone. Lot of case studies are presented with active team participation. His depth and up-to-date knowledge has helped the participants to clarify practical business issues, during the sessions.

- BS Mony, Director, Baker Tilly MKM, United Arab Emirates

4. Attending the workshop on Forensic Auditing by Dr Rama of Valiant Technology Group was a rewarding experience. His ability to support theoretical concepts with real life case studies makes it easy to relate the concepts to workplace. His in-depth knowledge, excellent presentation skills and analytical competencies are evident throughout the workshop.

- Partner, Ernst & Young, Maldives

5. I have attended Prof. Rama's training sessions in Cameroon, Kenya and Tanzania. His presentations are done in a simple manner that easily sinks to the participant's mind. His delivery skills are superb and he keeps training participants continuously engaged through his presentation.

- Sosthenes Bichang'a, FCFIP, FCPA, CPAK, FCFA President & CEO, International Institute of Certified Forensic Investigation Professionals, Inc

6. Dr. Rama's workshops are so enlightening. Complex issues are analyzed and presented in an easy to understand manner. It is so educative and informative. It motivates us to learn more and directs us to apply concepts and ideas in our practice.

Attending Dr. Rama's workshop is a unique learning experience.

- Antony Isaac, Managing Partner, Morison Muscat Chartered Accountants, Oman

7. I have participated in various seminar presentations by Dr Rama Subramaniam of Valiant Technologies Group on very interesting topics like Forensic Auditing and Data Analytics. I was really inspired by the quality of his presentations particularly the depth of coverage of every minute technical aspect of the topic. Every training session he presents, the participants obtain a lot of take aways and are really enriched with the knowledge and experience he shares with them.

- Managing Director, CISMA Consultants (Subsidiary of Verikwest Systems Inc.) USA
